

We are glad you are interested in volunteering at Cyrus Centre!

Our drop-in centre is open from noon until 8:00pm every day of the year. This is where our volunteers are needed and involved. Volunteers at Cyrus Centre make an invaluable impact on the lives of youth coming into our drop-in centre! From building relationships and creating a welcoming environment, to serving a meal and tidying up a mess - we couldn't do what we do without our volunteers.

If you are someone who has time to commit (one, 4-hour shift a week), have a heart to serve others, compassion for vulnerable and hurting youth, and are flexible, you would be a great fit at Cyrus Centre.

Cyrus Centre's drop-in centre provides basic needs for youth who are homeless or at-risk of becoming homeless. These things include meals, access to laundry, showers, and other basic supplies, a safe place to "just be", and a place to be invested in by adults who care about them.

Cyrus Centre's mission statement is **"showing the love of God to youth and families."**

We are a community-based response to a community need, working with a diverse community to bring about creative solutions.

- WE ARE: dedicated to vulnerable and homeless youth. We are called to offer programs and services to guide and equip youth for success and enhance their quality of life. Our services are designed to meet individual needs.
- WE ARE: welcoming to everyone; we work to establish a non-threatening, non-judgemental and supportive environment. We love every youth who walks through our doors, indiscriminately and unconditionally, regardless of where they have been and where they are at today.
- WE ARE: always there; Cyrus Centre strives to be a ministry of "being there". We are available for service 24 hours a day, 365 days a year.
- WE ARE: about relationships with youth, families, landlords, supporters, and the community.
